
PCN Number:	01/2023
Title:	boost V Installation Improvement
Product Family:	boost V
Release date:	February, 2024 (PM)
Contact:	Basler Support
Type of Change:	Sensor protection
Product design <input checked="" type="checkbox"/>	

Reason for Change

Enhance the ease of use with our boost V series.

Change Description

To enhance the overall product experience with the boost V series we have changed the sensor protection from an aluminum plate to a sticker.

This will reduce the overall installation time and no additional tool is needed. Screws for mount installation will be included in the separate mounts options.
