

PCN Number: 13/2021
Title: **C23 Premium Lens Series:
Changed appearance of lens**
Product Family: Vision Components
Release date: October 1st, 2021
Contact: Basler Support
Type of Change:
 Miscellaneous **Firmware** **PC Software**
 Product design **Process**

Reason for Change

In order to serve the high demand on our C23 5MP Premium Lens series we decided to accept slightly different mechanical parts on the outside of the lens. The appearance slightly differs, but this difference does not lead to any change in the usability or technical performance of the lens.

Change Description

The following picture shows the differences that can occur on this Lens series. Please be informed that both product designs can be delivered.

- the silver ring is matt or shiny

- the ripples of the adjustment rings are flat or deep
