From: Basler Product Management
Date: February 03rd, 2014
Subject: Product line A601fx and A602fx End-Of-Life

Reasons for discontinuation:

Basler A601fx and A602fx has been in the market for more than 10 years.

For this reasons, the end of its life cycle for Basler A601fx and A602fx has now been reached. Due to the fact that some parts of these products are no longer available we would like to inform you about the opportunity for a last time buy. In the meantime new product generations have been developed with even more features, functionality and enhanced image acquisition.

The availability of spare parts will be time limited as shown below.
