

PRODUCT CHANGES

From: Basler Product Management
Date: 27th June 2018
Subject: Discontinuation of **Basler L300 and runner color** product families

Reasons for discontinuation:

The Basler L300 and runner camera families have been in the market for many years and the end of their life cycles has now been reached. Due to the fact that some parts of these products are no longer available, we would like to inform You about the opportunity for a last time buy.

Based on the information regarding remaining quantities for each sensor type Basler started to manage the availability of the affected sensors for each camera model. Due to unexpected high demands the availability of some sensors may be more critical than others. We kindly ask you to place your Last Time Buy orders in time.

Basler L300 and runner color cameras				
Model	Recommended Replacement	Last Time Buy Date	Final Shipping Date	End of Product Support
