From: Basler Product Management
Date: August 17, 2021
Subject: Discontinuation dart mounting cover (2200000164)

Reasons for discontinuation:

Our supplier has discontinued our old dart mounting cover (2200000164). We only have a certain number of pieces in stock with which we cannot serve all open orders.

As an equivalent successor, the new dart mounting cover (2200000959) is now available, which is compatible with the earlier dart versions as well as with the IMX392 and IMX334 sensors.
