From: Basler Product Management
Date: June 20th 2022
Subject: Product discontinuation for some models of microEnable 5 marathon frame grabbers
microEnable 5 marathon ACX-SP & ACX-DP,
microEnable 5 marathon AF2 & VF2

Reason for discontinuation:

Basler AG invests a great part of its resources in further development and modification of the current products. Due to the numerous further and new developments of latest generation products in the past years, a portfolio streamlining of the marathon frame grabber family is necessary.

Therefore, the production of some models of the microEnable 5 marathon family (microEnable 5 marathon ACX-SP, microEnable 5 marathon ACX-DP, microEnable 5 marathon AF2 and microEnable 5 marathon VF2) will be discontinued according to the schedule below.

We will be happy to advise you personally and in close cooperation when switching to possible successor products. Please contact your sales representative for assistance.

Accessories type: Frame grabber				
microEnable 5 marathon frame grabbers				
Model	SAP number	Last Time Buy Date	Final Ship Date	End of Product Support

Due to unexpected high demand, the availability of some models might be more critical than of others. There is a possibility that the Last Time Buy date will be brought forward at short notice and that no more orders can be placed. Therefore, we kindly ask you to place your Last Time Buy orders in time as we process orders on a first come first serve basis.

Any supply will be subject to Basler AG's capacity and resource constraints. Obligations beyond the final ship date will be limited to warranty support only. The supply of products will be subject to Basler's general terms and conditions of sale or any specific contractual terms agreed between the parties.
