From: Basler Product Management
Date: March, 14th 2022
Subject: Product Power Supply 24V/60W, M12 8P End-Of-Life

Reasons for discontinuation:

In order to meet our customer requirements, Basler AG continuously develops the camera and accessory portfolio. As part of this further development, a successor to a power supply unit for the Basler blaze camera was developed.

With this letter we would like to inform you about the discontinuation of the previous model power supply unit 24V/60W, M12 8P.

The successor product 24V/60W, DC Jack 5.5/2.1mm – power supply meets the growing certification requirements of the market with the additional certifications for Korea (KC) and Japan (PSE).

Details on the discontinuation and the successor product can be found in the additional table. If you have any further questions, please contact your sales representative.
