Our quality management system is ISO 9001 certified in accordance with DIN EN ISO 9001:2015 standard

Since the Intel® Thunderbolt™ 2 Video Controller, used on these products, has been short-termed discontinued by Intel®, the LightBridge 2 models are only available for a certain period of time. This video controller is essential for the operation of the LightBridge device and can't be substituted.

Delivery and support will be guaranteed for a period of 5 years if a forecast is given. Please keep the short-termed deadline in mind!

**Last time for forecast is: 2019, August 1<sup>st</sup>**

This forecast is without costs for customers (preliminary for one year), subject to further changes on the market which require a commitment.

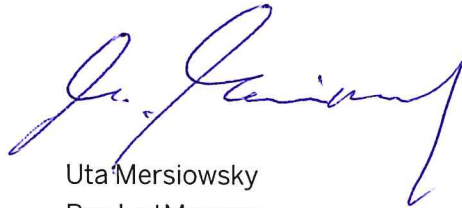

We regret for the short-termed announcement and any inconvenience caused.

In case of questions we kindly encourage you to contact your Silicon Software sales person in charge in due time.
